

Permanent **Roof Anchor**

Permanent Roof Anchor for New Construction

The Permanent Roof Anchor provides anchor point for personal fall arrest systems on roofs for maintenance work, repair, and new construction. Low profile and heat treated means reduced glare from rooftop, making the Permanent Roof Anchor less obtrusive.

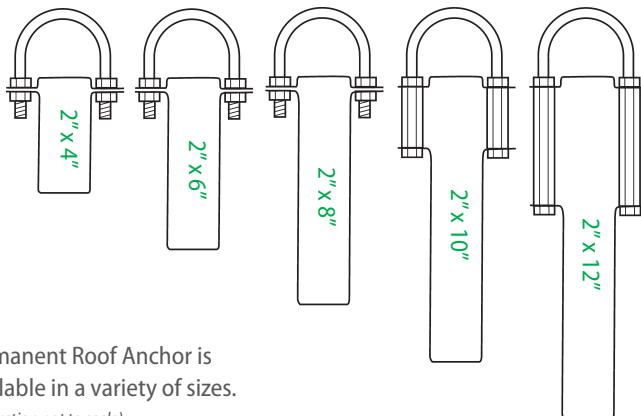

*Because every life has a **purpose...***

Permanent Roof Anchor Advantage

- All steel construction to last the life of the roof with minimal maintenance
- Can be used as anchorage for Dyna-Line® and Sure-Line™ temporary horizontal lifelines
- Available in standard 2" x 4", 2" x 6", 2" x 8", 2" x 10", and 2" x 12" sizes
- Fits all pitches of roof trusses or rafters
- UV resistant neoprene flashing to help prevent roof leakage
- Economical
- All fasteners included
- Easy to install without special tools
- Only the stainless steel attachment exposed to outside environment
- Meets applicable OSHA and ANSI standards

Permanent Roof Anchor 2" x 4"
P/N 10016468
