GSA Contract: GS-07F-5530P

The OptimAir TL PAPR is manufactured in Jacksonville, NC USA.

OptimAir® TL PAPR

For a limited time, GSA customers can purchase MSA OptimAir TL Powered Air Purifying Respirators (PAPR) and key accessories at greatly reduced GSA pricing—up to 45% off of standard GSA.

Key benefits and advantages include:

- No fit test required for hood use.
- No pre-use flow check requirement.
- No expiration on HEPA filters.
- OptimAir TL provides audible and visual alarm of any flow restriction.
- Low battery warning.
- Easy clean up and decontamination.
- Altitude compensation adjusts motor speed to maintain required airflow.

Optimair TL PAPR kits listed include PAPR blower, extended life battery, charger, 2 HE type filters, and breathing tube for use with either style loose fitting hood.

Note: Full hoods have a manufacturer's SWPF demonstrated assigned protection factor (APF) of 1000; low profile hoods have an APF of 25.

Part Number	Description	Standard GSA Price	GSA Reduced Price*
